### **THE QUALIFYING RACES and ENGLISH NATIONAL FINALS**

There are five Regional Qualifying Races for teams, leading to selection of teams for the National Finals.

The competition is for TEAM entries only in the following categories:

**Category 1 – Stubby gates - Pupils in Years 3-6. Teams of 2 or 3 racers. Separate Boys, Girls & Mixed teams.**

**Category 2 – Full gates - Pupils in Years 7 and 8. Teams of 3 or 4 racers. Separate Boys & Girls teams.**

**Category 3 – Full gates - Pupils in Years 9 and 10. Teams of 3 or 4 racers. Separate Boys & Girls teams.**

**Category 4 – Full gates - Pupils in Year 11 and above. Teams of 3 or 4 racers. Separate Boys & Girls teams.**

**Category 5 - Full Gates - Mixed Open Teams. Pupils in year 7+ (only). Teams of 3 or 4 racers. One competition. (Team must contain both Girls and Boys. If 4 must be 2 Boys + 2 Girls).**

The standard at the Regional Qualifying Races is very varied. This is the perfect entry point to competitive ski-racing for schools and their athletes!

### **THE ENGLISH OPEN CHAMPIONSHIPS AND BRITISH FINALS**

The English Open Championships is a separate event, run on the Sunday of Finals weekend. This race also serves as the qualification event leading to selection of teams for the British Finals.

The competition is for TEAM entries in a single Open category for athletes in year 7 and above. There are separate Boys, Girls and Mixed events. As a national competition held using full gates this event is not suitable for athletes in year 6 and below. Mixed team composition rules as for Heats and Finals.

### **SELECTION FOR NATIONAL TRAINING SQUADS**

The results of the Qualifiers, together with those of the Finals and the Open Championships are used to select individual members of our national training squads.

## THE QUALIFYING RACES and ENGLISH NATIONAL FINALS

### **Teams:**

Schools may enter up to TWO boys' and TWO girls' teams in each of the Categories 1-4. There are separate competitions for girls' and boys' teams in Categories 1-4. In addition, they may enter ONE mixed team in Category 1

Category 5 is designed to allow Schools who could not otherwise raise a Team to still compete. Schools may enter ONE team of athletes in Year 7 and above in Category 5. Teams in Category 5 must comprise a maximum of two athletes of the same sex (BBGG, BGG, GBB are all permitted). In the event that this is impossible, teams with only a single member of the opposite sex to the majority (ie BBBG or GGGB) will be accepted, BUT the time of the athlete in the minority will always be counted towards the team result in order to ensure that it is indeed a mixed team (meaning that if the athlete in the minority does not complete a run the team will be DSQ/DNF).

New this year, Mixed teams will be able to progress to the National Finals on the Saturday where a Category 5 race will be held in addition to the usual Category 1 to 4 races.

Teams must be made up of pupils from the same school under one Head. All skiers must be genuine full-time pupils on the roll during the Autumn Term of the school they are representing.

No skier may race in two different teams in the Qualifiers, in the Finals or in the Open Championships.

If a Team turns up to race with fewer than the minimum number of skiers, those competitors **will** be allowed to race Hors Concours but **will not** appear on the Results.

### **Age Group Categories:**

Category 1 - Pupils in Years 3 - 6, born 1 September 2013 and later

Category 2 - Pupils in Years 7 and 8, born 1 September 2011 – 31 August 2013

Category 3 - Pupils in Years 9 and 10, born 1 September 2009 – 31 August 2011

Category 4 - Pupils in Year 11 and above, born 1 September 2006 – 31 August 2009

In the event that a pupil is "ahead" or "back" a year in school, their age will take precedence over the year group in which they are currently enrolled in order to determine their category. A team may be made up of school pupils of different ages, but the team will compete in the age group of the oldest skier in the team on the day of the Qualifier. Pupils in Years 6 and under are not allowed to compete in Categories 2 - 5.

### **Additional Teams:**

Should any Qualifying Race be undersubscribed consideration will be given to extra entries, which will NOT be eligible for the Finals. Please contact the Race Secretary.

## **Requests for team changes between Qualifying Races and Finals**

Any team taking part in the National Finals should be the same as that which is entered for the Regional Qualifiers.

### **SUBSTITUTION:**

If an athlete named in the entry form is unable to race at the qualifying event (ie Regional Heat or English Open Championships) due to injury or sickness then the team may still race “short an athlete” and the injured athlete will be permitted to resume their place at the Finals should the team progress. Alternatively, a substitute may be nominated. Provided that this nomination is made in writing to the ESSKIA Race Secretary in advance of the qualifying event then, if the team does progress to the Finals, **either** the original athlete **or** the substitute may be named in the team at the Schools discretion.

Requests for other team changes between Qualifying Races and Finals must be submitted in writing with the Finals Entry Form, giving reasons and stating the date of birth and school year of any skier involved. Changes will **only** be permitted in exceptional circumstances at the sole discretion of the Race Committee. A change which would alter the Category of the team would **not** be permitted.

### **CLASH OF DATES WITH THE LOWLANDS CHAMPIONSHIPS:**

In the 2024/25 season, **by exception** due to the late announcement of a clash of the dates of our Regional Qualifiers with the Lowlands Championships, the substitution process will also apply to athletes racing at the Lowlands.

If an athlete racing at the Lowlands is named in a team for the Regional Qualifiers but is unable to take part then the team may still race “short an athlete” and the Lowlands athlete will be permitted to resume their place at the Finals should the team progress.

Alternatively, a substitute may be entered.

To make use of this facility the name of the substitute should be included in the race entry form for the Regional Qualifiers and the ESSKIA Race Secretary must be notified **in writing in advance of the qualifying event** of the names of both the Lowlands athlete and their substitute.

If the team progresses to the Finals, **either** the athlete who missed the Regional Qualifiers due to attendance at Lowlands, **or** their substitute who raced at the Regional Qualifiers, may be named in the team at the Schools discretion. For the avoidance of doubt the Lowlands athlete may only take the place of their named substitute.

### **The Race:**

The race will consist of two runs over a slalom course. **AS A TEAM-COMPETITION, THE PROHIBITION ON STOPPING / HIKING WILL BE DISAPPLIED.** Category 1 teams will race on stubby gates, Category 2- 5 teams will race using full gates.

Category 1: The team score will be the total of the best two times for each run. If only one skier completes a run, the team will be disqualified. A disqualified team will not be eligible to race in the finals.

Categories 2 - 4: The team score will be the total of the best three times for each run. If less than three team members complete a run, the team will be disqualified. A disqualified team will not be eligible to race in the finals.

### **Qualification for the National Age Group Finals Race at Norwich on Saturday 12 October:**

Provided there are at least two teams which finish in a category at a Regional Qualifier, the winners of that category will qualify automatically for the Finals.

**A team is not a winner if the other teams in the category are designated as DNS (Did not Start), DNF (Did Not Finish) or DSQ (Disqualified).**

Further places for the Finals will be offered after an evaluation of results at all the Regional Qualifiers. The number of places will not necessarily be the same in every category.

School teachers / team managers will hear from the ESSKIA race secretary within 7 days as to whether their school team has qualified for the Finals in Norwich.

### **THE ENGLISH OPEN CHAMPIONSHIPS**

The Open Championship for Girls', Boys' and Mixed Teams are held on the Sunday of our National Finals weekend at Norwich. This is a different race, on a different day, with a separate entry fee from the Age Group races.

Maximum of 2 boys', 2 girls' and 1 Mixed teams per school for pupils in Year 7 and above who have taken part in the Qualifiers. **Note:** it is **not** required that team / Mixed team composition is the same as in the Age Group events held on the Saturday, this is an entirely separate competition, but the same rules apply.

In the 2024/25 season, **by exception** due to the late announcement of a clash of the dates of our Regional Qualifiers with the Lowlands Championships, teams including athletes who attended the Lowlands championships and hence were unable to race at the Qualifiers will be accepted. In addition, impacted schools may enter ONE additional team into the Open Championships. These relaxations to our usual rules are made to accommodate athletes in light of the special circumstances. Note that: (i) participation at Lowlands will be checked; (ii) these relaxations apply only to those racing at Lowlands; (iii) the number of teams able to progress to the British Dry Slope Championships from a single school will remain at 2 *per category* (2 male / 2 female / 1 mixed). Applications to submit an additional team should be made through the entry system and accompanied by an email to the Race Secretary.

This is also the qualification race for the British Schools' Dry Slope Championships. Any team taking part in the British Finals should be the same as that which is entered for the English Open Championships. The number of places available at the British Dry Slope Championships will vary between categories and will be published following agreement with Snowsport Wales and Snowsport Scotland.

### **CONDITIONS OF ENTRY**

**Membership:** Schools wishing to enter teams in any of the events must be paid-up current members of ESSKIA.

**Officials:** It is a **condition of entry** to any of our races that each school must be prepared to provide one Race Official **per team participating in a race**, to be nominated on the Team Entry Form. Full instructions will be given to those officiating, and novice officials will be helped. We operate our Finals using full paperwork appropriate to a national level race. We would be grateful if you can identify any of your proposed officials who hold SSE qualifications.

**Attire:** Racers must wear suitable protection for arms and legs including long trousers, long sleeve shirt, which must cover the midriff, and gloves.

**Helmets:** Proper ski helmets must be worn. It is advisable for pupils to wear their own helmet. Slopes have very few to rent/borrow. No cameras, camera mountings, coverings or stickers are allowed.

**Bungs on Poles:** Under Snowsport England safety rules, competitors must either use the slope's ski sticks, or ensure that their own ones have tip protectors (rubber bungs).

***Athletes who present at the startgate without appropriate attire, helmet or without bungs will not be permitted to start.***

**Sportsmanship:** We wish to remind all racers, coaches, parents and spectators that appropriate personal conduct is expected at all ESSKIA events. Whilst a competitive atmosphere is to be encouraged, inappropriate or unsportsmanlike behaviour will not be tolerated and can ultimately lead to sanctions, including suspension from ESSKIA events. Examples of such behaviour include: equipment abuse, swearing, aggressive behaviour, discrimination of any form, heated arguments, disrespect shown to any official or volunteer. All ESSKIA events are "family friendly" environments with appropriate behaviour to be demonstrated at all times.

### **Fees and Payment**

Annual ESSKIA affiliation fee 2024/25: **Senior Schools with/without Prep Schools: £60 Junior Schools: £40**

Team Entry Fees: £70 per team in Open Competition, and Heats Categories 2, 3, 4 & 5.  
£50 per team in Heats Category 1.

If additional teams are added later a new invoice will be generated. Payment details are included on the invoice.

### **CLOSING DATE FOR ENTRIES**

Membership, application forms and Payment must be made by **Wednesday 24 July 2024**. Bulletin 2 will then be sent to the school via email.

Team composition must be finalised and entered into the system by **Thursday 12 September 2024**.

#### 2. Confirmation of Adherence to ESSKIA Rules

I agree to abide by the rules of the competition and accept that any decision of the Race Jury is final.

All ESSKIA member schools must have a Child Safeguarding Policy. Each school group attending the races must nominate a Manager, ideally a member of the school staff. If teams are in the sole charge of a nominated Parent Manager, the Head must sign a declaration that the school has complied with normal safeguarding and checking procedures.

If all parents are attending then they will be responsible for the safeguarding of their own children. I understand that a Team Manager, who will be present at the race, must be nominated, and that different Race Officials MUST be nominated for each team taking part. The Team Manager may also act as a Race Official for one team.

Pupils taking part in ESSKIA races do so at their own risk. ESSKIA, the race organisers, our officials and the venues at which we operate accept no liability for loss, damage or injury to any property or person taking part in or spectating at one of our events.
